

Stono Ferry

OUR RICH AND STORIED PAST

The Battle of Stono Ferry took place on June 20, 1779. The famous American Revolutionary battle was fought along the Stono River. A part of the battle took place where the 12th, 13th, and 14th holes are presently located. One of the military fortifications (redoubt) from the battle was relocated during the construction of the course to the right side of the 13th fairway. Stono Ferry also played a part in the Civil War. An original 1863 map shows a Confederate battery known as Battery Wilkes located atop the middle fortification or redoubt used one hundred years earlier in The Battle at Stono Ferry. The location of the redoubt is thought to be close the 14th tee box. A railroad line known as the Charleston and Savannah Railroad formerly occupied the land where the cart path for the 13th hole now exists. The line was established in the late 1850's and was the main lifeline between these Southern cities. The rail line was finally abandoned in the late 1960's.
